

Maryland Responds Medical Reserve Corps

Alert

Date/Time: March 4, 2015, 12PM

Weather Updates:

- Weather Warnings and Watches
 - A Winter Storm Warning is in effect for the majority of the state, with the exception of lower southern Maryland and the Lower Eastern Shore
 - Garret County has flood warning as well until 1900 tonight
 - St. Mary's, Dorchester, and Wicomico Counties are in a Winter Storm Watch
 - Winter Storm Warning goes into effect 1600 for Garrett, 1900 for western and north central Maryland, and 2300 for the rest of state
- For next 36 hours, rain transitioning to snow and sleet over the entire state
- Temperatures falling below freezing for most of state tonight until Saturday
- System will begin exiting Thursday midday, finish by late night
- There is a very good chance of significant accumulation for western Maryland, with less confidence as you travel southeast, which has chance for sleet than snow
- Find the latest weather forecast and advisories on the National Weather Service's website:
<http://alerts.weather.gov/cap/md.php?x=1>.

Current snowfall expectation provided by the National Weather Service – Baltimore/Washington.

Maryland Responds Medical Reserve Corps (MRC):

- At this time, there has been no request for volunteers. Monitor your communications as mass care shelters may be opened due to power outages.
- If volunteer assistance is requested, you will receive an activation notification. To prepare:
 - Login to your profile to update contact information: <https://mdresponds.dhmh.maryland.gov/>.
 - Complete your journey to deployment eligibility: bit.ly/MDRMRCDeploy.
- Review your emergency communications plan and emergency supply kits (homes and vehicles). Visit the OP&R Cold Weather Fact Sheets page for more information: <http://1.usa.gov/1bMGISx>.
